Office Memorandum • UNITED STATES GOVERNMENT

TO : 25X1A
[REDACTED]

FROM : General Counsel

SUBJECT:

DATE: 15 January 1951

The Contract Section is going to send over a supplemental to this paper and I wish to talk to you about offering some comments on the method the technical people have used on this contract. It appears they are mixing research phase and the production phase, and I think we ought to try to help Contracts in their attempt to distinguish these differing phases.
